THERE ARE TWO SEVENTY SEVENS?

BUT, THERE'S A PROBLEM

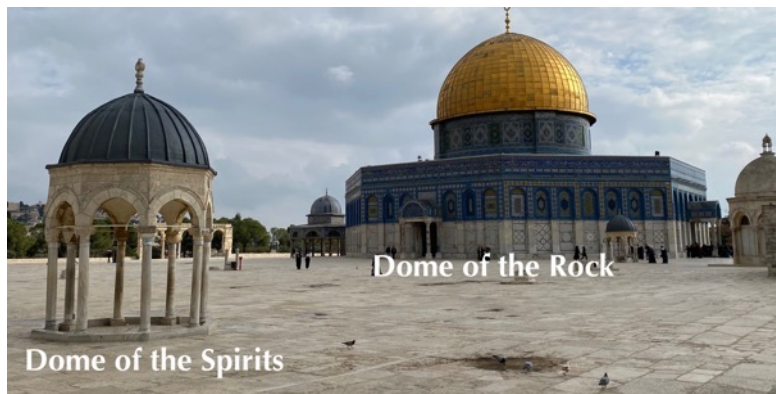

- We are now past the mid-point of a 2020-2027 window.
- **Where was the abomination of desolation?**
- **What about rebuilding the Temple and restarting sacrifices?**
- **Are things even really bad enough for us to be in the Tribulation?**

FIRST, ARE THINGS BAD ENOUGH?

- If you are asking yourself if things are really bad enough to be in the Tribulation, **I have two things to say:**
 1. **You must live somewhere nice**, i.e. not Ukraine, China, Iran, Israel, Gaza, Sudan, Nigeria, Azerbaijan, Brazil, Haiti, any large city, US southern border states, etc.
 2. OR, **you lost your 2019 glasses** and have already forgotten what we have lost and have adjusted to this crazy world, like **the frog in the boiling pot**.

DON'T WE NEED THE TEMPLE AND SACRIFICES?

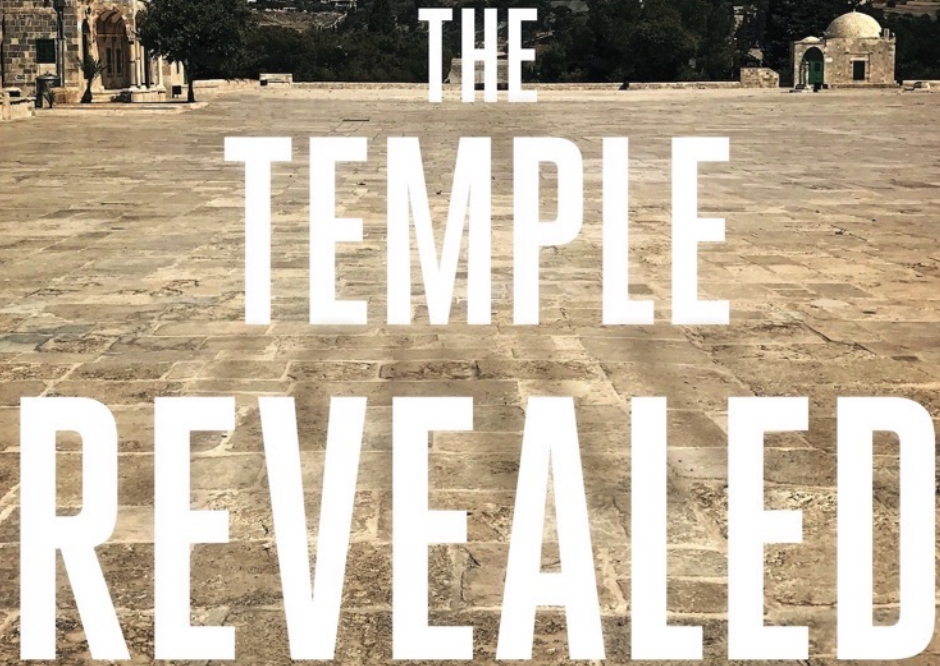

- The preparations are ready.
 - They have the red heifers
 - The altar is built.
 - The menorah and other temple articles have been made.
 - They have the priests.
 - The northern temple area is open.
- ***But nothing has happened...***

"A must read for students of biblical prophecy." —JOEL RICHARDSON

Foreword by JOSH MCDOWELL

The book cover features a photograph of the Temple Mount in Jerusalem. In the foreground, the large, flat, stone-paved plaza is visible. In the background, the city of Jerusalem is built on a hillside, with the Dome of the Rock and other religious structures visible. The sky is blue with some clouds.

WHEN AND WHERE WAS THE ABOMINATION OF DESOLATION?

- **Did we miss it?**

- Was the attack on **October 7**, by Hamas, the **Abomination of Desolation** that the Bible warns us to **watch for**?

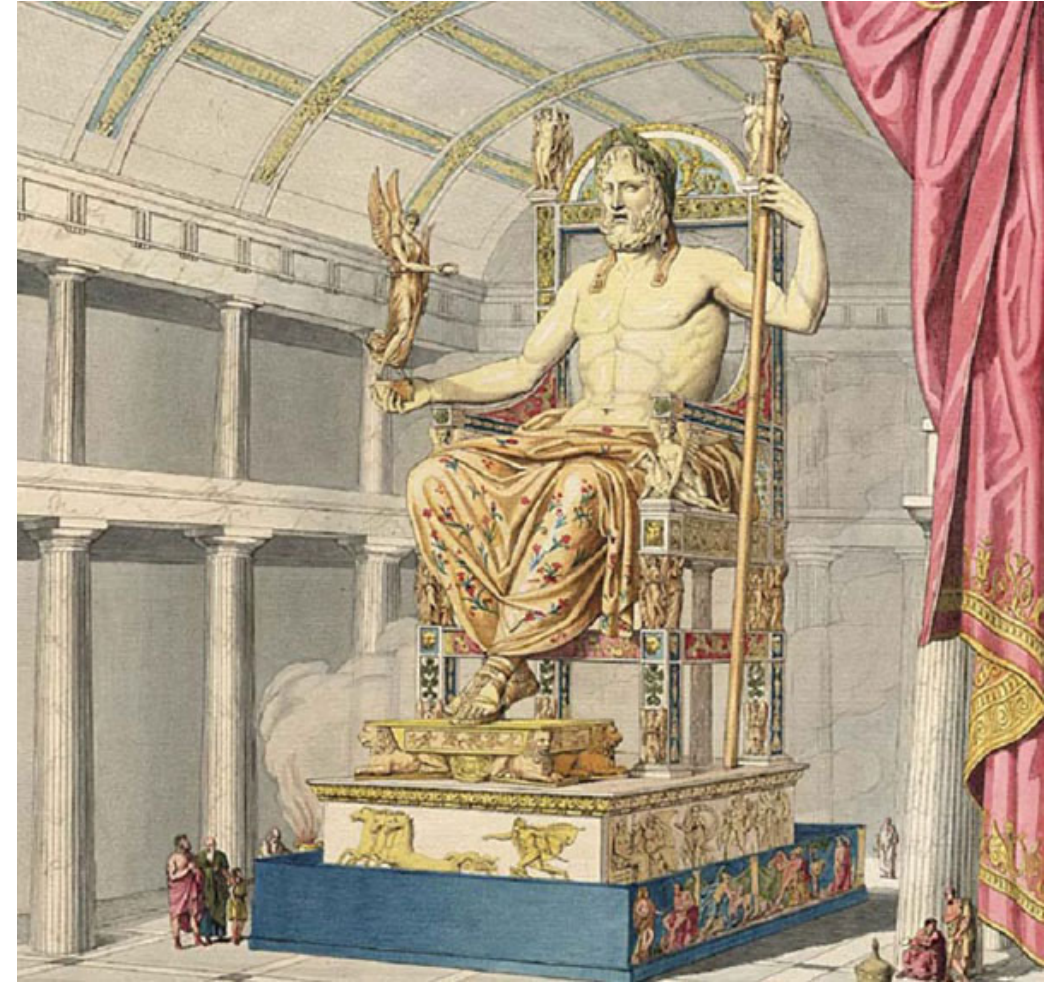

DO WE REALLY KNOW WHAT SCRIPTURE SAYS ABOUT THE ABOMINATION?

- There are 4 MAIN passages:
 - Daniel 9:27
 - Daniel 11:29-37
 - Matthew 24:15-22
 - 2 Thessalonians 2:1-12
- Sounds like they describe **TWO SEPARATE EVENTS**
 - **Abomination that makes desolate** AGAINST God's temple
 - **Antichrist declaring himself to be God** IN God's temple

TWO EVENTS

VS.

THE FIRST EVENT IS THE ABOMINATION

And he will confirm a covenant with the many for one week, but **in the middle of the week** he will **put a stop to sacrifice and grain offering;** and **on the wing** (*kanaph*) **of abominations will come the one who makes desolate**, until a complete destruction, one that is decreed, gushes forth on the one who makes desolate.”
– Daniel 9:27

WHAT DANIEL 9 TEACHES ABOUT THE ABOMINATION

1. Occurs **in the middle** of the **last 7 years**
2. It will **stop efforts** to make **sacrifice** and grain offering
3. **Abominations** will come to make **desolate**
4. It will come on the ***kanaph*** (edge, border, wing) – *the text **does NOT** say temple...*

IN THE MIDDLE OF THE SEVEN YEARS

- It came 1290 days, **THREE and a HALF YEARS**, after the **START** of the Coronavirus Pandemic.
- **March 27, 2020** (*when churches started to close*) to **October 7, 2023**.

THEY WILL HALT THE SACRIFICE

- The attack by HAMAS caused all the plans for sacrificing the **red heifer** to be **SET ASIDE** and **LEFT UNDONE**.
- *The ashes of the red heifer are **needed to purify sacrifices** and grain offerings.*

Jerusalem – When Hamas spokesman Abu Ubaida began a speech marking the 100th day of the war in Gaza, one confounding yet eye-opening proclamation escaped the headlines. Listing the motives for the Palestinian militant group's Oct. 7 massacre in Israel, he accused Jews of "bringing red cows" to the Holy Land.

WHAT IS AN ABOMINATION?

¹⁶ There are six things which the Lord hates,
Yes, seven which are an abomination to Him:

¹⁷ Haughty eyes, a lying tongue,
And hands that shed innocent blood,

¹⁸ A heart that devises wicked plans,
Feet that run rapidly to evil,

¹⁹ A false witness who utters lies, and one who spreads
strife among brothers.

– Proverbs 6:16-19 NASB

WAS OCT. 7 AN ABOMINATION?

YES, OCTOBER 7TH 2023 WAS HORRIFYING

1. They devised evil plans
2. Their feet ran swiftly to carry them out
3. They shed innocent blood
4. They did it proudly
5. They did it deceptively
6. They included lying reporters as witnesses in their attack
7. They took hostages to spread fear and strife in Israel

ATTACKING ON THE WING

- Hamas attacked at the border of Israel on paragliders
- This fulfilled the Hebrew word ***kanaph*** (wing, edge or border) in two different ways

DANIEL 11 ALSO DESCRIBES THE TIME OF THE ABOMINATION

²⁹ At the appointed time [**moed**] he will invade the South [**Negev**] again, but this time the outcome will be different from what it was before. ³⁰ **Ships of the western coastlands** will oppose him, and he will lose heart... ³¹ His armed forces will **rise up to desecrate the temple fortress** and will **abolish** [**soor**] the **daily sacrifice**. Then they will set up the **abomination that causes desolation**. – Daniel 11:29-31 NIV

MATCHING UP EVENTS WITH OCT. 7

1. The attack came on a **MOED**, an appointed feast of the LORD, the last and greatest day of **SUKKOT**.
2. Israel was defended by the **SHIPS OF THE WESTERN COASTLANDS**.
3. A full-scale invasion of Israel was **TURNED-BACK**.
4. They rose up against the **TEMPLE MOUNT**
5. They **STOPPED RED HEIFER SACRIFICE**
6. It was an **ABOMINATION OF DESOLATION**

AT THE APPOINTED TIME

- **MOED** – The Hebrew word used for the seven appointed times (feasts) of the Lord
 - *Passover, Unleavened Bread, First Fruits*
 - *Pentecost*
 - *Rosh Hashanah, Yom Kippur, Sukkot*
- **October 7 was the last day of Sukkot in 2023.**

TURNED BACK LARGER INVASION

- It worked, the **Gaza War** **did not escalate** into a multi-nation invasion, **YET**.
- The **stage is set** for Ezekiel 38, though.
- Yes, fighting is ongoing, but there was no full-scale invasion.

IT WAS AGAINST THE TEMPLE MOUNT

- They called the attack,

THEY STOPPED THE SACRIFICE

- Hebrew word **soor**, also means to cause to be **set aside or left undone**.
- The **intention** was **to conduct** the **red heifer ceremony** before Passover in **2024**—*It did not happen*.
- **Why not?** OCT. 7, 2023
- The **ideal date** was **April 10, 2024**, Nisan 2, the same day Moses performed the first red heifer ceremony... (**1290 days from the end of Sukkot 2027**)

THE ABOMINATION OF DESOLATION

- *Part of identifying the abomination of desolation is **connecting it to all the other events mentioned in Scripture.***
- If October 7 didn't have all these other elements along with it, we wouldn't be talking about it...

THE NATIONS AGAINST ISRAEL

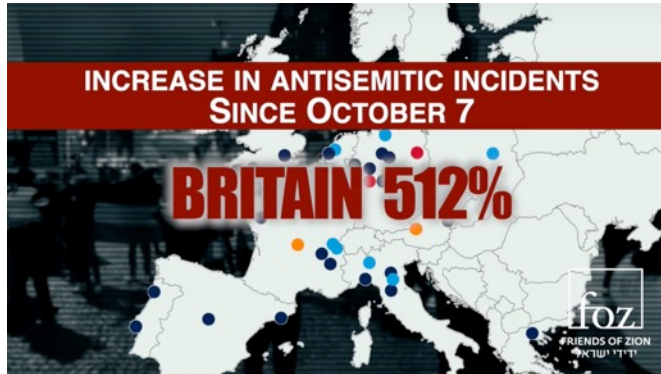

³² Then **with smooth words he will corrupt those who have rejected the covenant.** But the people who are loyal to their God will act valiantly. ³³ These who are wise among the people will teach the masses. **However, they will fall by the sword and by the flame, and they will be imprisoned and plundered for some time.** ³⁴ When they stumble, they will be granted some help. But **many will unite with them insincerely.** – Daniel 11:32-34

MATCHING EVENTS WITH DANIEL 11

1. October 7th also unleashed a **MASSIVE wave of ANTISEMITISM** – *SMOOTH WORDS* have deceived many around the world who reject God's covenant to give the land to Israel.
2. Starting on October 7, Israelis have been **KILLED, BURNED, PLUNDERED** (raped & ravaged), kidnapped and held **HOSTAGE**.
3. They world at first supported Israel, but it was **INSINCERE**, and quickly turned on them.

WAVE OF ANTISEMITISM

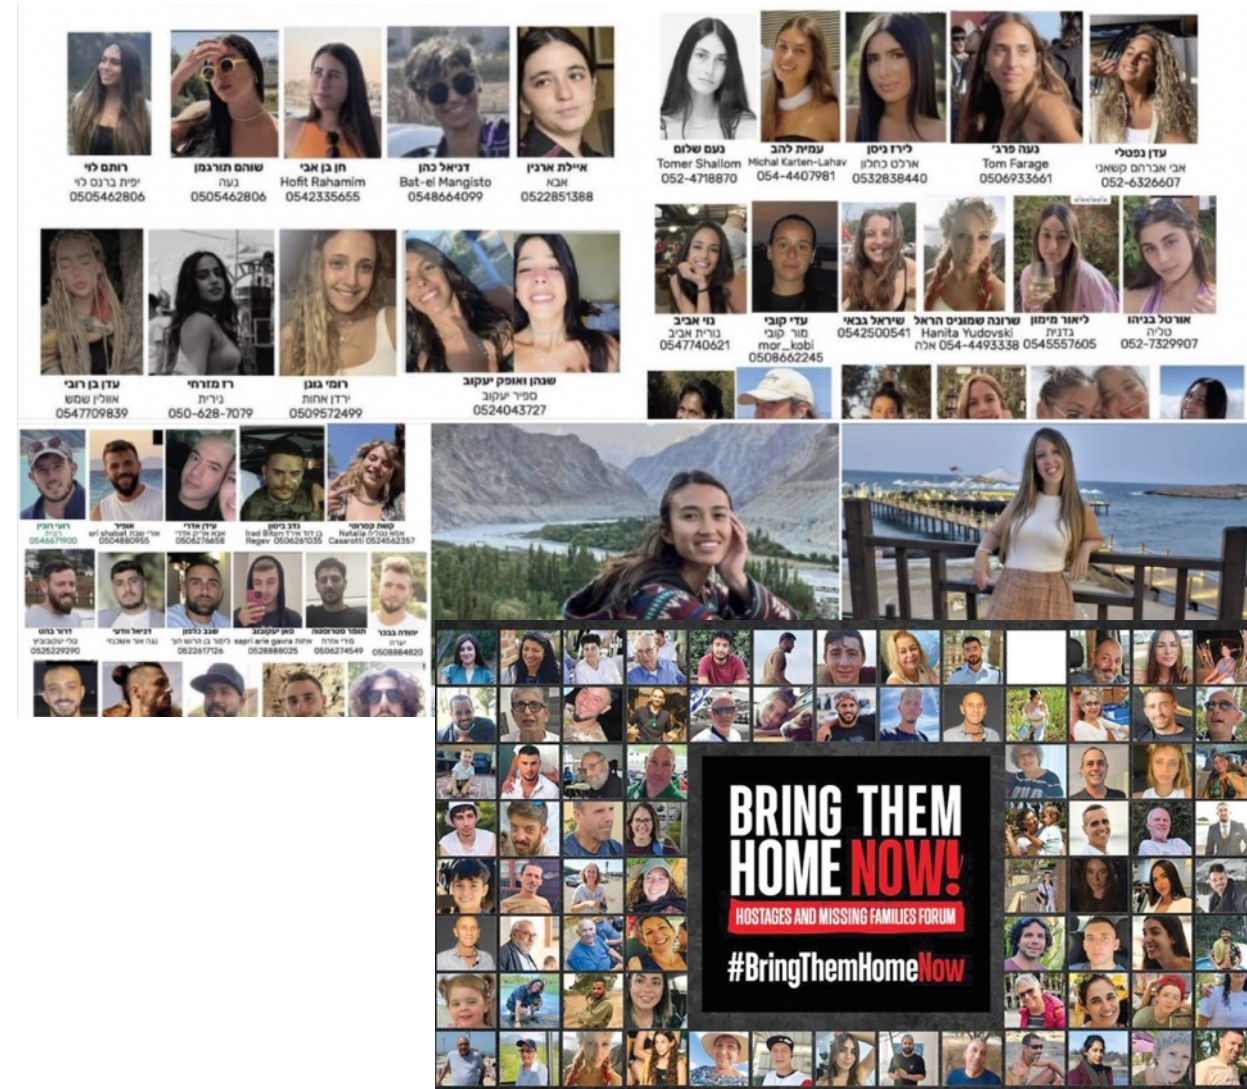

- He will corrupt many with deceptive talk rejecting God's covenant with Israel

ATTACKS IN ISRAEL

MATCH DANIEL'S DESCRIPTION

- 1. MURDERED** – Killed with the sword
- 2. BURNED ALIVE** – Many died deaths on October 7 by fire
- 3. IMPRISONED** – Kidnapped and taken hostage
- 4. PLUNDERED** – Raped and ravaged, likely the most horrific acts ever captured on film

NATIONS OF THE WORLD QUICKLY TURNED ON ISRAEL

1. Nations began condemning Israel
2. ICC issues arrest warrants PM Netanyahu and DM Gallant
3. US Halts Weapons Shipments
4. UNGA votes to recognize Palestinian Statehood
5. Ireland, Norway, and Spain unilaterally recognize PA state.

JESUS WARNED ABOUT THIS TOO

¹⁵ “Therefore **when you see the abomination of desolation** which was spoken of through Daniel the prophet, standing in **the holy place**—let the reader understand— ¹⁶ then **those who are in Judea must flee to the mountains.** ¹⁷ Whoever is on the housetop must not go down to get things out of his house. ¹⁸ And whoever is in the field **must not turn back to get his cloak.** ¹⁹ But **woe to those women who are pregnant,** and to those who are **nursing babies** in those days! ²⁰ Moreover, pray that when you flee, it will not be in the winter, or **on a Sabbath.**

– Matthew 24:15-20

MATCHING UP THE DESCRIPTION

- 1) – Attack was an **ABOMINATION** that made **DESOLATE**
- 2) – It was against the **TEMPLE MOUNT** (holy place)
- 3) – The attack came from Gaza into the Negev region of Israel. That's in **JUDEA...**
- 4) – The people living around there had to immediately **FLEE TO THE MOUNTAINS.**
- 5) – The attack was **ON THE SABBATH**
- 6) – They targeted **PREGNANT WOMEN** and **BABIES**

WHEN YOU SEE

- It was a watershed moment, like 9/11, **NO ONE MISSED IT.**
- Headlines around the world were captured and have continued to be focused on Israel and the Gaza war.
- **Abomination that caused Desolation**

CAUGHT OFF GUARD, ISRAEL FIGHTS BACK

Missed Warning Signs and Slow Responses

This article is by Julian E. Barnes, David E. Sanger and Eric Schmitt.

WASHINGTON — The devastating surprise attack by Hamas on Saturday represented an equally stunning intelligence failure by Israel that involved undetected warnings, overwhelmed missile defenses and a slow response by apparently overprepared military forces, Israeli and current U.S. officials said.

American officials said Hamas had achieved a complete tactical surprise, reflected in a death toll of at least 700 Israelis. The Palestinian militant group sent hundreds of fighters through breached walls, breaking through with bulldozers and even killing civilians and soldiers in shooting sprees that went on for hours.

None of Israel's intelligence services had specific warning that Hamas was preparing a sophisticated attack that required coordinated land, air and sea strikes, according to an Israeli defense official and American officials.

The ancient attributed American officials with experience in the region. Over the years, Israel has set up a network of electronic intercepts, sensors and human informants throughout Gaza, which is about half the area of New York's five boroughs. Israel and its neighbors have in the past invaded heavily in trying to track and block Hamas's networks, often intercepting shipments of missile components.

That past success has made all the more urgent a series of questions about Israel's failures on Saturday.

Why was Israel's Iron Dome missile defense system, now a dozen years old, apparently overwhelmed by the barrage of successive but deadly missiles as the opening of the attack? How did Hamas manage to build such a big arsenal of rockets and missiles without Israeli intelligence detecting the growing stockpile?

Was Israel too focused on threats from Hezbollah and the West Bank, rather than focusing on Hamas and intelligence resources on Gaza? And why were so many Israeli forces on the distant from the southern border, allowing Hamas to overrun Israeli military bases near Gaza?

Neither American nor Israeli officials would address the questions on Sunday. But clearly the answers could affect the direction of Israel's military and intelligence.

and at least 150 taken hostage by Palestinian militants, according to a preliminary assessment shared by a senior Israeli military official. Videos circulated of children and grandparents abducted from their homes in Israel and roadside streets with dead bodies. A National Security Council spokesman said Sunday that "several" American citizens had been killed in the fighting.

The assault, staggering in its scale, prompted a fierce counter-attack from Israel that has killed more than 400 Gazans in missile strikes and shelling, according to the fighting.

Just after dawn on Saturday, hundreds of Palestinian militants bulldozed their way through the barbed-wire fences between Gaza and Israel, drove into scores of Israeli towns along the border and sped through the farmland where the rave was reaching its zenith.

The militants gunned down more than 100 ravers and abducted others, according to two senior Israeli officials, as they sprinted through the open fields. Video verified by The New York Times showed militants driving off on a motorcycle with an Israeli woman suspended between them, screaming as her boyfriend was murdered off on foot, his arm wrenched behind his back. Those who survived often did so by hiding in nearby bushes, some of them for hours.

Bullets whizzed overhead and shots resounded all around, said Audrey Pezzie, 31, one of the survivors. He described crawling up to the top of a nearby hill to get a better sense of what was happening.

"Smoke and flames and gunfire," said Mr. Pezzie, a tech worker. "I have a military background, but I never was in a situation like that."

Bomb shelters are installed in every home in the kibbutz, and residents are used to rushing inside them every few weeks.

Amir Tibon and his neighbors in Kibbutz Nahal Oz, a village that stands a few hundred yards from Gaza, have become accustomed to frequent rocket fire from militants.

PALESTINIAN MILITANTS STAGE ATTACK ON ISRAEL

Assault Met With Big Strikes on Gaza Cities

By PATRICK KINGSLY and DAVID KENNERLY

JERUSALEM — Israel battled on Saturday to repel one of the broadest invasions of its territory in 50 years after Palestinian militants from Gaza launched an early-morning assault on southern Israel, killing 22 Israeli towns and army bases, kidnapping Israeli civilians and soldiers and forcing thousands of residents to ward cities as far away as Jerusalem.

By early evening, the Israeli military said, the militants had taken at least five places in southern Israel, multiple Israelis had been abducted and taken to Gaza, including an elderly grandmother; and at least 250 Israelis had been reported dead by officials and more than 1,400 wounded. Israel retaliated with huge strikes on Gaza cities, and the Gaza Health Ministry said at least 234 Palestinians had been killed in either gun battles or airstrikes.

In an assault without recent precedent in its complexity and scale, the militants crossed into Israeli lands in force and according to the Israeli military, leading to some of the fiercest battles between Israeli and Arab forces in the region.

Unverified video footage, circulated by Hamas, the Iran-backed militant group that controls the Gaza Strip, appeared to show some Palestinians gunning down Israelis in a sort of makeshift

Residents of Israeli border towns told broadcasters that gunmen were moving door to door, looking for civilians. Unverified footage appeared to show Palestinian fighters transporting captured Israeli civilians and bodies through the strip — to be bargained for ransoms by Hamas.

This is the first time in our history something like this has happened, she added, referring to the Palestinian attack.

'The Children Were Terrified': Bombs and Gunmen at the Door

By ISABEL KERSHNER and RAJA ABDULRAHMAN

JERUSALEM — Israeli citizens, huddled in their homes in towns near the Gaza Strip, called into television studios as Palestinian gunmen crossed the border into Israel and invaded their communities on Saturday morning. The Israelis spoke in whispers as they pleaded desperately for help.

One woman named Doreen told Israel's Channel 12 that militants were in her house in Nahal Oz, a small rural community, and that she was hiding in a safe room. Her husband is hiding in the door of the bomb shelter," she said. "How they're shooting every day of bullets at the bomb shelter's windows. I'm afraid. And my three children are with me."

BERLIN — Nearly 50 years to the day after the Yom Kippur war of 1973, Israel has again been taken by surprise by a sudden attack, a startling reminder that stability in the Middle East remains a bloody mirage.

Unlike the series of clashes with Palestinian forces in Gaza over the last three years, this appears to be a full-scale conflict mounted by Hamas and its allies, with rocket barrages and incursions into Israel proper, and with Israeli killed and captured. The psychological impact on Israel has been compared to the shock of Sept. 11 in America.

STANDING IN THE HOLY PLACE

Could “**Standing in the Holy Place**” be a reference to Hamas’ War in defense of their hold on the Temple Mount?

- **Greek** for “**standing in**” has meanings that include to make firm, fix, establish, to cause a person or a thing to keep his or its place, to uphold or sustain the authority or force of anything
- **Followed by (let the reader understand)**

WAS OCTOBER 7 THE ABOMINATION OF DESOLATION?

- **Yes, I think so.**
- It resembled it too closely and it fits the timeline of the final decree.
- Should **AT LEAST** be considered...
- **What would be next?**

THE SECOND EVENT IS AC DECLARING HIMSELF TO BE GOD

³⁶ “Then the king will do as he pleases, and **he will exalt and magnify himself above every god and will speak monstrous things against the God of gods;** and he will prosper until the indignation is finished, for that which is decreed will be done. ³⁷ He will show no regard for the gods of his fathers or for the desire of women, **nor will he show regard for any other god; for he will magnify himself above them all.**

– Daniel 11:36-37 NASB

PAUL WARNED ABOUT THE SECOND ONE

¹ Now we request you, brethren, with regard to the coming of our Lord Jesus Christ and our gathering together to Him... ³ Let no one in any way deceive you, for it will not come unless the apostasy comes first, **and the man of lawlessness is revealed**, the son of destruction, ⁴ **who opposes and exalts himself above every so-called god or object of worship, so that he takes his seat in the temple of God, displaying himself as being God.**

– 2 Thessalonians 2:1,3-4 NASB

WHEN WILL WE SEE THE SECOND ONE?

Q: Then when will we see the Antichrist declaring himself to be God in God's temple?

A: Something to be watching for, but it could be 12-24 months from now, and it may not be what we expect...but most likely it will be on the Temple Mount.

WHAT ABOUT THE DOME OF THE ROCK?

- Is the Dome of the Rock an abomination of desolation?

*By putting **their threshold by My threshold**, and **their door post beside My door post**, with only the wall between Me and them. And they have **defiled My holy name** by their **abominations** which they have committed...*

Ezekiel 43:8 NASB

DANIEL'S COUNT OF DAYS

*And from the time that the regular sacrifice is abolished and the abomination of desolation is set up, **there will be 1,290 days** (yomim). Blessed is the one who is patient and attains to the **1,335 days!** – Daniel 12:11-12 NASB*

- In some instances, the word for **yom** (H3117) in Hebrew can mean a year, instead of a day.
- But it sounds like a count of days in Daniel's 70th week.
- **However, might this prophecy also or instead have a fulfillment in terms of 1290 and 1335 years?**

COUNTING THE YOMIM AS YEARS

- **Sacrifices** were *likely* halted when **Jerusalem** was first **besieged** by Nebuchadnezzar in **598 BC**
- **Counting 1290 years** (including partial years) forward **takes us to 692 AD**, when the **Dome of the Rock** was completed.
- **Counting 1335 years** since the Dome of the Rock was set up is **2027...**
- *It does look like another abomination...*

WHERE'S THE BEAST FROM THE SEA?

- The last world kingdom, the seven-headed beast with ten horns that rises out of the sea (Revelation 13:1-10), **HAS IT ALREADY BEGUN TO TAKE POWER?**
- WEF, UN, WHO, IMF, WTO, G7, G20, BRICS, etc.
- **1260 days / 42 MONTHS**
April 29, 2024 to October 11, 2027 (Yom Kippur)
- Time will tell...

SHELTERED IN HER PLACE FOR 1260 DAYS

- Revelation 12:14, Israel will be sheltered **“in her place”** for 1260 days, i.e. the land of Israel.
- It's the same time as the two witnesses and 42-month reign of the beast.
- **This looks to have already started...**

THE DRAGON WILL SPEW OUT A RIVER AT THE WOMAN

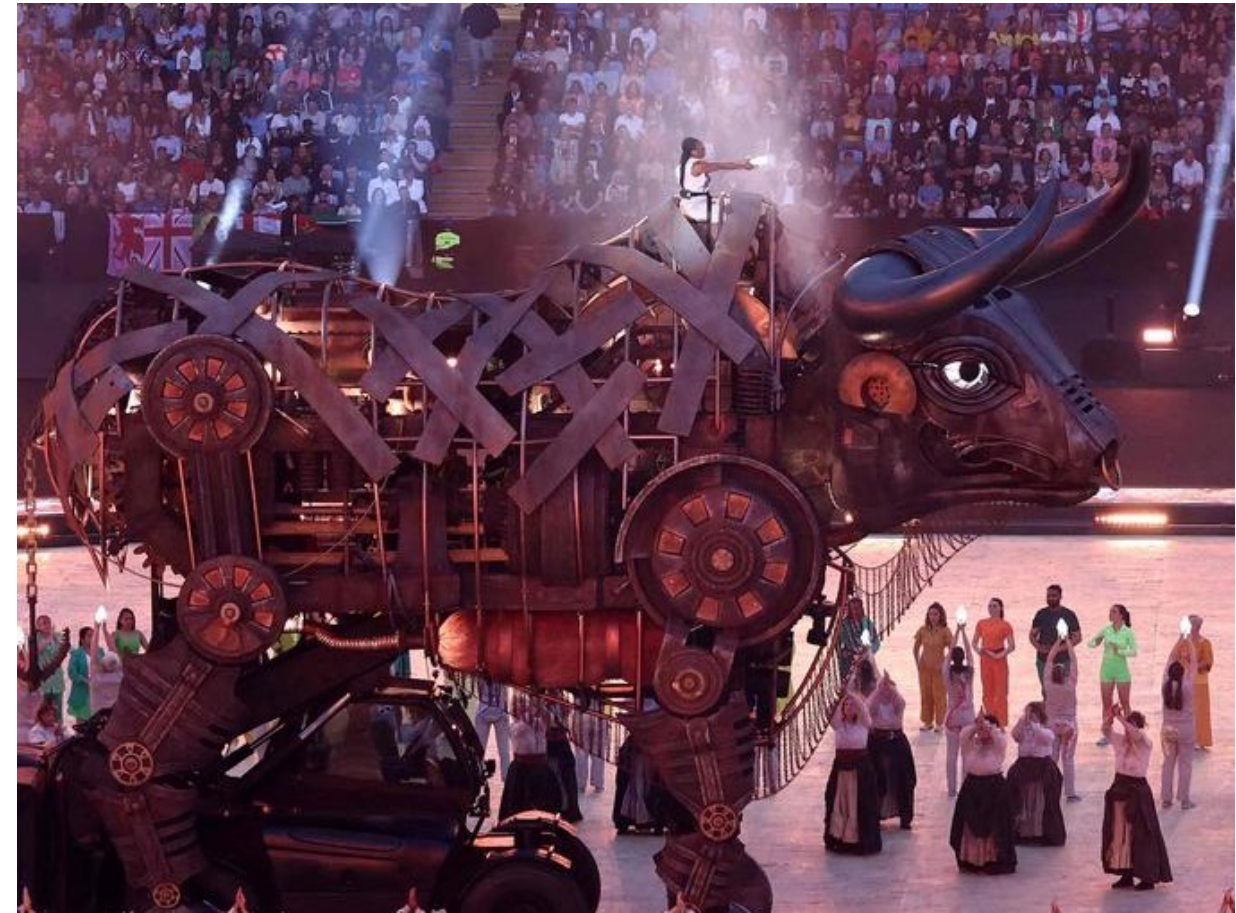

¹⁵ And **the serpent hurled water like a river** out of his mouth after **the woman**, so that he might cause her to be **swept away with the flood**. ¹⁶ But **the earth helped the woman**, and the earth opened its mouth and **drank up the river** which the dragon had hurled out of his mouth. – Revelation 12:15-16 NASB

- The al-Aqsa Flood of October 7 led to the largest aerial attack in Israel's history by Iran, but the nations helped Israel and over 99% of the missiles, drones and rockets were stopped.

WHO IS THE WOMAN THAT RIDES THE BEAST?

- Revelation 17 tells us about her
 1. She sits on the seven mountains (heads) of the beast.
 2. She is the mother of the seed of the serpent (Gen. 3:15).
 3. She sits on many waters and represents all mankind.
 4. She is a Jezebel and represents idolatry, immorality, and apostasy
 5. She is the great city (Babylon) who rules the kings of the earth.
 6. She will be betrayed and destroyed by the beast.

But who is she, really?!?!

OTHER REMAINING QUESTIONS

Q: When will the beast from the Earth, the false prophet, appear?

A: This is also something that we just have to watch for, but it will likely not be what we imagined. It's two horns may mean it is also more than one person...

Q: Where are the two witnesses?

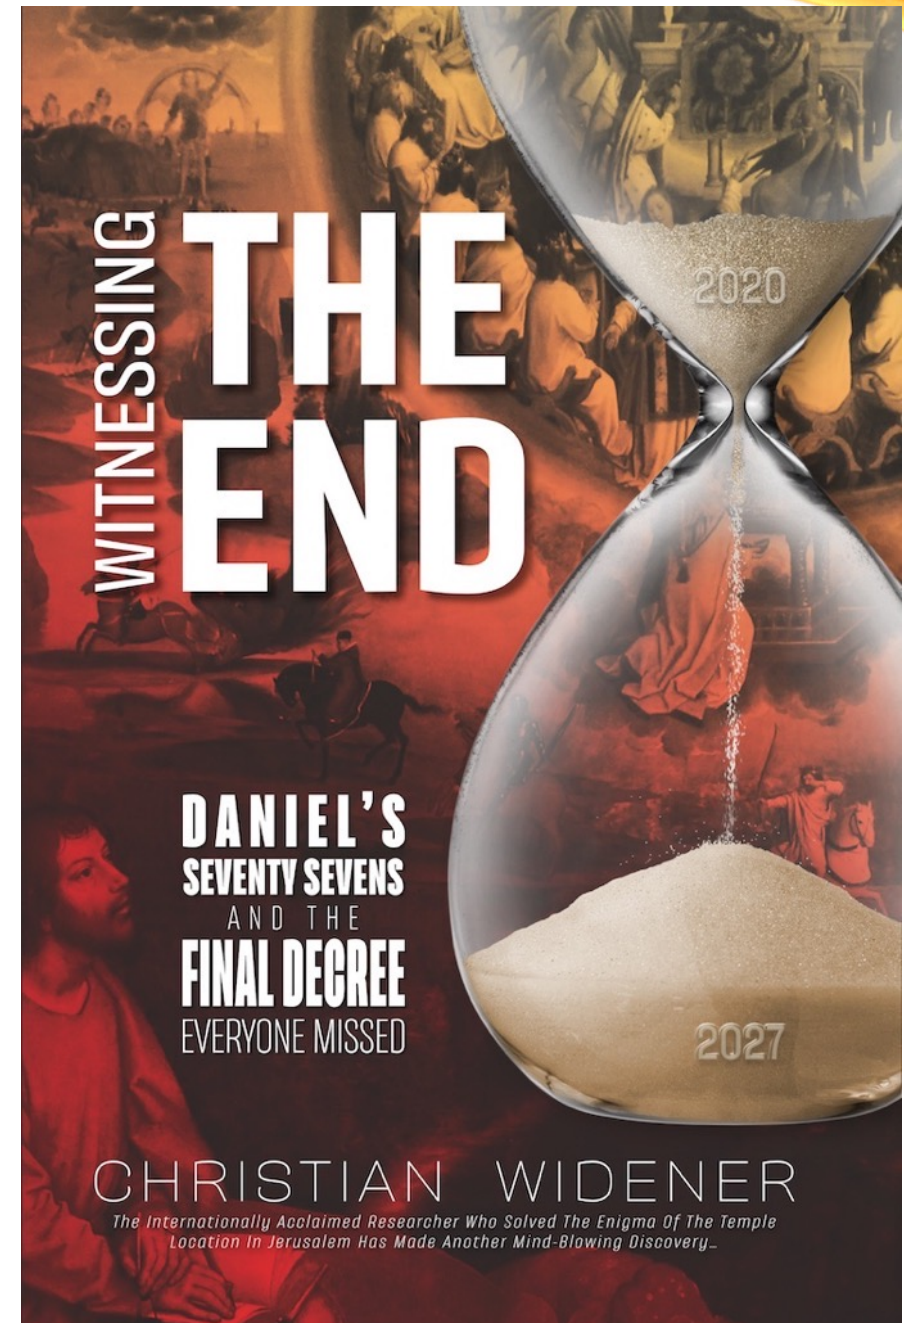

A: It's something to be watching for, but their power may not be fully revealed until the AC is fully revealed...

Q: Do unanswered questions mean this might not be the end?

A: No, there are too many fulfillments at this point. *Was Jesus recognizable as the Messiah before his ministry was complete?*
